KIDDIE

CORNER

LOV ZA KOSTANJEM CHESTNUT HUNT

Kostanj je pravi jesenski zaklad, ki ga vsi dobro poznamo. Ta okusni plod raste skoraj po vsej Sloveniji, vse do 800 metrov nadmorske višine. V naših krajih ga sicer ravno zaradi tega ne boste našli svežega. No, morda le v kakšni trgovini 😊 Boste pa zagotovo našli dišečega in hrustljava pečenega na stojnicah na osrednjem trgu pred cerkvijo.

Nabiranje kostanja je prava pustolovščina, vendar je lahko tudi zelo uspešna! Če imate srečo, lahko že pod enim samim drevesom nabere kar do 200 kilogramov kostanjevih plodov. A previdno! Čeprav je sila okusen, ga ne pojedite preveč naenkrat, sicer boste tako polni, da se boste morali kot bodljiva kostanjeva lupina - ježek - kotaleč odpraviti domov! 🍂

Chestnuts are a true autumn treasure that everyone knows well. This tasty fruit grows almost all over Slovenia, up to an altitude of 800 meters. In our area, you won't find them fresh due to our altitude — well, maybe just in a store 😊 But you will definitely find fragrant and crispy roasted chestnuts at stalls in the central square by the church.

Gathering chestnuts is quite the adventure, and often very rewarding! If you're lucky, you can collect up to 200 kilograms of chestnuts from just one tree. But be careful! Even though they're super tasty, don't eat too many at once, or you'll be so full that, like a prickly chestnut shell, you'll have to roll home! 🍂

OTROCI RADI BEREJO CHILDREN LOVE TO READ

Čeprav so jesenske počitnice tradicionalno znane kot "krompirjeve" počitnice, saj so bile včasih namenjene pomaganju pri spravilu krompirja, bodo te počitnice v Kranjski Gori letos tematsko obarvane z Vandotovimi pravljimi junaki.

V tem jesenskem tednu se bodo lahko otroci in družine podali na dogodivščine, ki vključujejo priljubljene junake iz Vandotovih zgodb. Kekec pa ni navdihnil le našega programa, temveč tudi dekleta iz našega animacijskega oddelka. Ob tej priložnosti bomo predstavili tudi novo knjižico o Kekcu, ki je avtorsko delo teh deklet. Knjižica bo zagotovo prinesla svež in sodoben pogled na klasične Kekčeve zgodbe ter dodatno obogatila Kekčev počitniški program.

Although autumn holidays are traditionally locally known as the "potato" holidays, as they were once intended for helping with the potato harvest, these holidays in Kranjska Gora will be thematically inspired by Vandot's fairytale characters. During this autumn week, children and families can embark on adventures featuring beloved characters from Vandot's tales. V Kekec has inspired not only our workshops but also the girls from our animation department. On this occasion, we will also present a new book about Kekec, authored by these talented girls. The book will undoubtedly offer a fresh and modern perspective on the classic Kekec stories and further enrich the Kekec holiday week.

5 RAZLOGOV ZA JESENSKI WELLNESS

- **Sprostitev in obnova:** Jesen prinaša hladnejše dni in krajše večere, kar je idealen čas, da se umirite, sprostite in obnovite energijo v toplem wellness okolju. Naš trik: **PEDIKURA VITA** (klasična pedikura z nego stopal – piling, obloga, masaža) **57 EUR**
- **Okrepitev imunskega sistema:** Poleti smo izpostavljeni soncu, jeseni pa lahko v wellnessu z različnimi tretmaji, kot so savne in masaže, okrepimo svoj imunski sistem in se pripravimo na zimske izzive. Svetujemo: **MASAŽA Z VROČIMI KAMNI** (vulkanski kamni ugodno vplivajo na sproščanje napetosti, odpravljajo utrujenost) **62 EUR**
- **Hidracija kože:** Pri nižjih temperaturah se koža hitreje izsuši, zato so tretmaji, ki koži vračajo vlago, izjemno pomembni. Wellness tretmaji pomagajo ohranjati kožo mehko in sijočo tudi v hladnejših mesecih. Naš namig: **MEDENO MLEČNA NEGA** (intenzivna hranljiva nega za hranjenje in regeneracijo) **78 EUR**
- **Pobeg od stresa:** Jesen je pogosto čas, ko se delo in obveznosti znova nakopičijo. Obisk wellnessa je odličen način za pobeg od stresa in umiritev misli. Naš predlog: **PAKET VITA - ANTISTRES** (piling telesa + antistresna masaža s aromatičnim oljem + vstop v bazen in savno) **85 EUR**
- **Uživanje v toplini:** Ko zunaj padajo listi in temperature, se lahko prepustite užitkom tople vode, vroče savne ali pare, kar prinaša občutek udobja in popolne sprostitve. Priporočamo: **SAVNA** (do 3 ure, pet - ned) **21 EUR**

5 REASONS FOR AUTUMN WELLNESS

- **Relaxation and renewal:** Autumn brings cooler days and shorter evenings, making it the perfect time to relax, and recharge in a warm wellness environment. Our tip: **PEDICURE VITA** (classic pedicure with foot care, peeling, wrap, massage) **EUR 57**
- **Boosting the immune system:** After the sun exposure of summer, autumn is the time to strengthen your immune system with various treatments like saunas and massages, preparing you for the challenges of winter. We recommend: **HOT STONE MASSAGE** (volcanic stones help relieve tension and eliminate fatigue) **EUR 62**
- **Skin hydration:** As temperatures drop, skin tends to dry out faster, making moisture-restoring treatments essential. Wellness treatments help keep your skin soft and glowing even in the colder months. Our suggestion: **HONEY NAD MILK TREATMENT** (intensive nourishing care for hydration and regeneration) **EUR 78**
- **Stress relief:** Autumn is often a time when work and obligations pile up again. A visit to the wellness centre is a perfect way to escape stress and calm your mind. Our suggestion: **VITA - ANTISTRESS PACKAGE** (body peeling + antistress massage with essential oil + pool and sauna access) **EUR 85**
- **Enjoying warmth:** When the leaves fall and temperatures drop, you can indulge in the pleasures of warm water, hot saunas or steam, providing comfort and complete relaxation. We recommend: **SAUNA** (up to 3 hours, Fri to Sun) **EUR 21**
